

Get up and free yourself from yourself.
Locked up inside you,
Like the calm beneath castles,
Is a cavern of treasures that
No one has been to.
Let's go digging.
Bring it out to take you back in.
You won't do what you'd like to do.
Lay back and let me show you another way.
I'll kill what you want me to,
Take what's left and eat it.
Take all or nothing.
Life's just too short to push it away.
Take it all.
Take it all in.
All the way in.
Let it go.
Let it go in.
You won't feel what you'd like to feel.
Lay back and let me show you another way.
If you knock me down I'll come back running,
Knock you down,
It won't be long now
All the way in.
All the way.
Take it up higher.
Four degrees warmer.
Give in now
And let me in.
You'll like this in
Don't pull it out.
It brings us closer than
Dying and cancer and crying.
Come on.
You can take it all.
Just like that.
