I don't want to be hostile
I don't want to be dismal
And I don't want to rot in
An apathetic existence

See, I want to believe you
And I wanted to trust you
And I want to have faith to

But you lie, cheat and steal You lie, cheat and steal You lie, cheat and steal And I tolerate you

Put away the dagger

You lie, cheat and steal You lie, cheat and steal You lie, cheat and steal How can I tolerate?

Veil of virtue hung to hide your method While I smile and laugh and dance And sing your praise and glory Shroud of virtue hung to mask your stigma As I smile and laugh and dance And sing your glory while you

Lie, cheat and steal You lie, cheat and steal You lie, cheat and steal How can I tolerate you?

You lie, cheat and steal You lie, cheat and steal You lie, cheat and steal How can I tolerate?

Our guilt, our blame
I've been far too sympathetic
Our blood, our fault
I've been far too sympathetic

I am not innocent
I am not innocent
You are not innocent
No one is innocent

You lie, cheat and steal (3x)

You lie, cheat and steal You lie, cheat and steal You lie, cheat and steal How can I tolerate? I will not tolerate you I will go down beside you I must go down beside you No one is innocent
