

Sober

Tool

There's a shadow just behind me
Shrouding every step I take
Making every promise empty
Pointing every finger at me
Waiting like a stalking butler
Who upon the finger rests
Murder now, the path that must be
Just because the son has come

Jesus, won't you fucking whistle
something but the past and done?
Jesus, won't you fucking whistle
something but the past and done?

Why can't we not be sober?
I just want to start this over
And why can't we drink forever?
I just want to start this over

I am just a worthless liar
I am just an imbecile
I will only complicate you
Trust in me and fall as well
I will find a center in you
I will chew it up and leave
I will work to elevate you
Just enough to bring you down

Mother Mary, won't you whisper?
Something bout what's past and done
Mother Mary, won't you whisper?
Something bout what's past and done

Why can't we not be sober?
I just want to start this over
And why can't we sleep forever?
I just want to start this over
why?

I am just a worthless liar
I am just an imbecile
I will only complicate you
Trust in me and fall as well
I will find a center in you
I will chew it up and leave

Trust me
Trust me
Trust me
Trust me
Trust me

Why can't we not be sober?
I just want to start things over
And why can't we sleep forever?
I just want to start this over
why?

I want it, what I want it
I want it, what I want it
I want it, what I want it
I want it, what I want it
