

The Patient

Tool

A groan of tedium escapes me
Startling the fearful
Is this a test?
It has to be
Otherwise I can't go on

Draining patience
Drain vitality
This paranoid, paralyzed vampire act's a little old

But I'm still right here
Giving blood, keeping faith
And I'm still right here

But I'm still right here
Giving blood, keeping faith
And I'm still right here

Gonna wait it out...
gonna wait it out...
be patient!..

If there were no rewards to reap
No loving embrace to see me through
This tedious path I've chosen here
I certainly would've walked away
By now

Gonna wait it out!

If there were no desire to heal
The damaged and broken met along
This tedious path I've chosen here
I certainly would've walked away
By now

And I still may
I still may

Be patient
Be patient
Be patient

I must keep reminding myself of this
I must keep reminding myself of this
I must keep reminding myself of this
I must keep reminding myself of this

If there were no rewards to reap
No loving embrace to see me through
This tedious path I've chosen here
I certainly would've walked away
By now
And I still may
And I still may
And I still may
And I...

Gonna wait it out
Gonna wait it out
Wait it out
Gonna wait it out
