

The Pot

Tool

Who are you to wave your finger?
You must have been out your head
Eye hole deep in muddy waters
You practically raised the dead

Rob the grave to snow the cradle
Then burn the evidence down
Soapbox house of cards and glass so
Don't go tossin' your stones around

You must have been high
You must have been high
You must have been

Foot in mouth and head up asshole
What ya talkin' 'bout?
Difficult to dance 'round this one
'til you pull it out, boy

You must have been so high
You must have been so high

Steal, borrow -- reefer save your shady inference
Kangaroo done hung no juror with the innocent

Now you're weeping shades of chosen indigo
Got lemon juice up in your eye

When you pissed all over my black kettle
You must have been high, high
You must have been high, high

Who are you to wave your finger?
So full of it
Eyeballs deep in muddy waters
Fuckin' hypocrite

Liar, lawyer -- mirror show me
What's the difference?
Kangaroo done hung the guilty with the innocent

Now
You're weeping shades of chosen indigo
Got lemon juice up in your high eye
When you pissed all over my black kettle
You musta been

So who are you to wave your finger?
Who are you to wave your fatty fingers at me?
You must have been out your mind

Weeping shades of indigo
Shed without a reason
Weeping shades of indigo

Liar, lawyer
Mirror for you what's the difference

Kangaroo be stoned
He's guilty -- ask the government

Now
You're weeping shades of chosen indigo
Got lemon juice up in your eye
Eye..

Now when you pissed all over my black kettle
You musta been high, high, high, high
Eyeballs deep in bloody waters
Eyeballs deep in muddy waters

Ganja police you must have been out your mind
