

Ticks & Leeches

Tool

Suck and suck
Suckin up all you can, suckin up all you can suck
Workin up under my patience like a little tick
Fat little parasite

Suck
Me
Dry

My thrill is bruised and borrowed.
You thieving bastards, you have
Turned my blood cold and bitter
Beat my compassion black and blue

I guess is what you wanted
This is what you had in mind
Cause this is what you're getting
I hope you're choking
I hope you choke this
I hope you're choking
I hope you choke this

Taken all I can taken all I can, we can take
Taken all you can, taken all we can take
Got nothing left to give to you

Blood suckin parasitic little
Blood suckin parasitic little
Blood suckin parasitic little tick
Take what you want and then go

Hope this is what you wanted
Hope this is what you had in mind
Cause this is what you're getting

Suck
Me dry
Suck
Suck me dry
Suck
Suck me dry
Suck

Suck me dry

Is this what you wanted?
Is this what you had in mind?
Is this what you wanted?
Cause this this is what you're getting

I hope, I hope, I hope you choke
