Louie Louie

Toots and The Maytals

Louie louie, oh baby, I gotta go. Yi-yi-yi-yi Louie louie, oh baby, I gotta go.

A fine girl, who waited for me. I catch a ship across the sea. I sailed the ship all alone. I wondered when Im gonna make it home.

Louie louie, oh baby, I gotta go. Yi-yi-yi-yi Louie louie, oh baby, I gotta go.

Three nights and days I sailed the sea. I think of the girl constantly. On the ship, I dream she there. I smell the rose thats in her hair.

Louie louie, oh baby, I gotta go. Yi-yi-yi-yi Louie louie, oh baby, I gotta go.

I see jamaican moon above. See the girl Im thinking of. I take her in my arms and then Say Ill never leave again.

Louie louie, oh baby, I gotta go. Yi-yi-yi-yi Louie louie, oh baby, I gotta go.

Oh, I gotta go now. Uh-huh I gotta go.
