

China In Your Hand

Topmodelz

It was a theme she had
On a scheme he had
Told in a foreign land
To take life on earth
To the second birth
And the man was in command
It was a flight on the wings
Of a young girl's dreams
That flew too far away

Don't push too far
Your dreams are china in your hand
Don't wish too hard
Because they may come true
And you can't help them
You don't know what you might
Have set upon yourself
China in your hand

Don't push too far
Your dreams are china in your hand
Don't wish too hard
Because they may come true
And you can't help them
You don't know what you might
Have set upon yourself
China in your hand

Come from greed
Never born of the seed
Took a life from a barren hand
Oh eyes wide
Like a child in the form of man
A story told
A mind of his own
An omen for our time

Don't push too far
Your dreams are china in your hand
Don't wish too hard
Because they may come true
And you can't help them
You don't know what you might
Have set upon yourself
China in your hand

Don't push too far
Your dreams are china in your hand
Don't wish too hard
Because they may come true
And you can't help them
You don't know what you might
Have set upon yourself
