

Fly On The Wings Of Love

Topmodelz

In the summer night,
When the moon shines bright,
Feeling love forever,
When the heat is on,
When the daylight's gone,
Still happy together.

And as time goes by,
There is a lot to try,
And I'm feeling lucky,
In the softest sand,
Smiling hand in hand,
Love is all around me.

There is just one more thing I'd like to add,
She is the greatest love I've ever had.

CHORUS (3x)

Fly on the wings of love,
Fly baby fly,
Reaching the stars above,
Touching the sky.

Tonight.

In the summer night,
When the moon shines bright,
Feeling love forever,
When the heat is on,
When the daylight's gone,
Still happy together.

And as time goes by,
There is a lot to try,
And I'm feeling lucky,
In the softest sand,
Smiling hand in hand,
Love is all around me.
