

# Something About You

Topmodelz

I could talk to you for days  
You make me laugh one thousand ways  
And I realise (you fill me up)  
Like hot water (in my tea cup)  
I'm enchanted by your smile  
I must admit it took a while  
For me to see that (this was something)  
More than (he's my friend, it's nothing)

Bridge

I hope to God you feel the way I feel  
'Cause this could be amazing  
Something so super real

Chorus

There's something about you and you don't even know it  
I'm telling you now that you got me good  
There's something about you and I can't help but show it  
Damn right, you got me good  
Now I'm not alone  
With you I'm whole  
I gotta let you know  
You got me good

Your style, your voice, your points of view  
The good, the bad and ugly too  
Boy I'll take it (give it to me)  
I'll be careful (give it to me)  
Addiction don't come close to this  
Official is what this sh- is  
Still I can't say it  
No I can't say that I'm in love

Bridge

Chorus

I just wanna  
Be your all and all  
I just wanna be the one to make you fall  
I wanna take you away  
I want you to be for me  
I want you here with me forever  
Be my holiday, yeah

Oh yeah

Let me take you away  
There's something about you

Chorus

You got me  
You got me good
