Josie's on a vacation far away
Come around and talk it over
So many things that I wanna say
You know I like my girls a little bit older
I just wanna use your love tonight
I don't wanna lose your love tonight

I ain't got many friends left to talk to No one's around when I'm in trouble You know I'd do anything for you Stay the night but keep it undercover I just wanna use your love tonight I don't wanna lose your love tonight

Trying to stop my hands from shakin'
Somethin' in my mind's not makin' sense
It's been a while since we were all alone
I can't hide the way I'm feelin'

As you leave me please would you close the door and don't forget what I told you

Just 'cause you're right - that don't mean I'm wrong Another shoulder to cry upon

I just wanna use your love tonight
I don't wanna lose your love tonight ola

I just wanna use your love tonight

I just wanna use your love tonight

Yeah

I don't wanna lose your love tonight

I just wanna use your love tonight

Yeah

I just wanna use your love tonight
