```
[Tori:]
Maybe he and I
[Anabelle:]
Are like a pair of suns
That are captured
[Tori:]
Maybe he and I are like a pair of suns
That are captured
[Anabelle:]
Eternally linked into chasing
Each other's spin
[Tori:]
Eternally linked into chasing
Each other's spin
Bound by beliefs
[Anabelle:]
That have become steel cords
[Tori:]
Why the disharmony?
Let's resynch my world
With a harmonic defiance I'll face this
[Anabelle:]
I'd like to induct you into
The drink of the cactus practice
Cactus
[Tori:]
Cactus
[Anabelle:]
Practice
[Tori:]
Will you induct me into
The drink of the cactus practice?
Cactus
[Anabelle:]
Cactus
[Tori:]
Practice
Are you saying I'm
[Anabelle:]
Reactive but I can work with a doll face
[Tori:]
Every couple has their version of what they call the truth
Every couple has their version of what they call the truth
```
