

# Cloud On My Tongue

Tori Amos

Someone's knockin on my kitchen door  
Leave the wood outside  
What all the girls here are freezing cold  
Leave me with your Borneo  
I don't need much to keep me warm

Don't stop now what you're doin  
What you're goin my ugly one  
Bring them all here  
Hard to hid a hundred girls in your hair  
It won't be fair if I hate her  
If I ate her you can go now

You're already in there  
I'll be wearing your tatoo  
You're already in there

Got a cloud sleeping on my tongue  
He goes then it goes and kiss the violets  
As they're waking up

Leave me with your Borneo  
Leave me the way I was before

You're already in there  
I'll be wearing your tatoo  
I'm already in  
Circles and circles and circles again  
The girl's in

Someone's knockin on my kitchen door  
Leave the wood outside  
What all the girls here are freezing cold

You can go now

You're already in there  
I'll be wearing you tatoo  
You're already in there  
Thought I was over the bridge now  
I'm already in  
Circles and circles and circles again  
The girl's in  
Circles and circles  
Got to stop spinning  
Circles and circles and circles again  
Thought I was over the bridge now
