

God

Tori Amos

R: God sometimes you just don't come through
god sometimes you just don't come through
do you need a woman to look after you
god sometimes you just don't come through

1. You make pretty daisies pretty daisies love
I gotta find what you're doing about things here
a few witches burning gets a little toasty here
I gotta find why you always go when the wind blows

2. Tell me you're crazy maybe then I'll understand
you got your nine iron in the back seat just in case
heard you've gone south well babe you love your new four whe
el
I gotta find why you always go when the wind blows

Will you even tell her if you decide to make the sky fall
will you even tell her if you decide to make the sky

R: God sometimes...
