What's behind Mary's Eyes  
Mary's Eyes  
Mary's Eyes

The Death Midwife  
Can you bring her back to life  
The Death Midwife  
Can you bring her back to life

Sister Despair  
Sister Despair  
Can you bring the Dream King to me  
Sister Despair  
Hide your tears around Mary  
We've got to get her to  
Joy to The World  
Joy to The World

Hymns for us to sing  
She's a believer  
Hymns locked in her memory  
I'm a believer they're the key

What's behind Mary's Eyes  
Patterns matter  
Stringing sequences together matters  
To bring, bring her back to us

Mary's Eyes

The Death Midwife  
Can you bring her back to life

Sister Despair  
Sister Despair  
She must not see you cry  
Hide your tears  
Can't we just bring her Delight

Hymns for us to sing  
She's a believer  
Hymns locked in her memory  
I'm a believer they're the key
