

## Past the Mission

Tori Amos

I don't believe I went too far  
I said I was willing  
She said she knew what my books did not  
I thought she knew what's up

Past the mission  
Behind the prison door  
Past the mission  
I once knew a hot girl  
Past the mission  
They're closing every hour  
Past the mission  
I smell the roses

She said they all think they know him  
Well she knew him better  
Everyone wanted something from him  
I did too but I shut my mouth  
He just gave me a smile

Past the mission  
Behind the prison door  
Past the mission  
I once knew a hot girl  
Past the mission  
They're closing every hour  
Past the mission  
I smell the roses  
Past the mission  
And I smell the roses

Hey they found a body  
Not sure it was his but they're using his name  
And she gave him shelter  
And somewhere I know she knows  
Somethings only she knows

Past the mission  
Behind the prison door  
Past the mission  
I once knew a hot girl  
Past the mission  
They're closing every hour  
Past the mission  
I smell the roses

Past the mission  
Behind the prison door  
Past the mission  
I once knew a hot girl  
Past the mission  
They're closing every hour  
Past the mission  
I smell the roses

Past the mission  
And I smell the roses

Past the mission  
And I smell the roses
