

She's addicted to nicotine patches
She's addicted to nicotine patches
She's afraid of the light in the dark
6:58 are you sure where my spark is
Here
Here
Here

She's convinced she could hold back a glacier
But she couldn't keep Baby alive
Doubting if there's a woman in there somewhere
Here

You say you don't want it again
And again but you don't really mean it
You say you don't want it
This circus we're in
But you don't you don't really mean it
You don't really mean it
if the Divine master plan is perfection
Maybe next I'll give Judas a try
Trusting my soul to the ice cream assassin
Here

You say you don't want it again
And again but you don't really mean it
You say you don't want it
This cirucs we're in
But you don't you don't really mean it
You don't really mean it
How may fates turn around in the overtime
Ballerinas that have fins that you'll never find
You thought that you were the bomb yeah
Well so did I
Say you don't want it
Say you don't want it
Say you don't want it again
And again but you don't really mean it
Say you don't want it
This circus we're in
But you don't you don't really mean it
You don't really mean it

She's addicted to nicotine patches
She's afraid of the light in the dark
6:58 are you sure where my spark is
