

# Yo George

Tori Amos

I salute to you Commander  
And I sneeze  
'Cause I have Now  
An Allergy  
To your policies it seems

Where have we gone wrong America?  
Mr. Lincoln we can't seem  
To find you anywhere out of the millions  
From the deserts  
To the mountains  
Over prairies  
To the shores  
Is this just the Madness of King George  
Yo George  
Is this just the Madness of King George  
Yo George  
Well you have the whole Nation  
On all fours
