Who wants to pray for us?

Heavenly Father

Alright, then

Dear, Father, uh, today we come to be in this solemn moment. It is this precious time and a, uh, momentous time in that we want to give Victoria Loren back to You. You've been the Creator and You informed her and she has grown beautiful, beautifully, but today we give her back to You, and we ask You to give her a special, uh, upbringing, oh, Lord. May she come out to be a jewel for You, oh, Lord. May she shine and grow in health and strength, be a blessing to her parents, and a blessing to You, most of all. Lord, use her as Your will be. Let Your grace shine on her. And let Your mercy be ever, uh, present. We pray in Jesus' name. Amen

You gonna be blessed!

That's right

You already taken care of, girl

Yeah
