

## Before the Dawn

Tori Kelly

Thought I saw you smile  
Underneath you were frowning  
Thought I saw you wave  
But you must have been drowning

What's a rose without a thorn  
What is calm without a storm  
I can't say I know what you're going through  
I know you won't find peace without a war  
The finest silk can still be torn  
And it's always darkest right before the dawn  
So keep your head up  
Keep your head up  
My love

When you feel alone  
And the room is overcrowded  
I want you to know  
You can talk to me about it, darling, yeah

What's a rose without a thorn  
What is calm without a storm  
I can't say I know what you're going through  
I know you won't find peace without a war  
The finest silk can still be torn  
And it's always darkest right before the dawn  
So keep your head up  
Keep your head up  
My love

Too many words going unspoken  
And oh my door will always be open  
What's a heart if it's never been broken

What's a rose without a thorn  
What is calm without a storm  
And I can't say I know what you're going through  
I know you won't find peace without a war  
The finest silk can still be torn  
And it's always darkest right before the dawn  
So keep your head up  
Keep your head up  
My love

Keep your head up  
Keep your head up  
My love
