

Transylvania

Tormentor

Next to Carpathians
Lays Transylvania
With its beautiful forests
And fields, and rocks, and rivers

The great empire of the black arts
The ancient field of Hungarians

With his proud history
And dark nightmarish castles
Defending Europe with his
Brave border warriors

The great empire of the black arts
The ancient field of Hungarians

Elizabeth Bathori
And the legend of Frankenstein
And the story of Dracula
Vampires also came from here

The great empire of the black arts
The ancient fields of Hungarians

The great empire of the black arts
The ancient fields of Hungarians
