Transylvania

Tormentor

Next to Carpathians Lays Transylvania With its beautiful forests And fields, and rocks, and rivers

The great empire of the black arts The ancient field of Hungarians

With his proud history And dark nightmarish castles Defending Europe with his Brave border warriors

The great empire of the black arts The ancient field of Hungarians

Elizabeth Bathori And the legend of Frankenstein And the story of Dracula Vampires also came from here

The great empire of the black arts The ancient fields of Hungarians

The great empire of the black arts The ancient fields of Hungarians
