

Everything Is Grey (smallpox On The Blanket)

Torture Garden

Grey town Grey city
Grey lives
Not pretty
Grey work
Grey school
Grey church
Cesspool
Wovoka says he had a dream
We must all dance on grass of green
Then one day a new dawn will come

Bringing multicoloured fun
Grey homes
Grey clothes
Grey hairs
Scummy droves
Grey matter
Grey street
Grey area
Under concrete
Wovoka says he had a dream
We must all dance on grass of green
Then one day a new dawn will come
Bringing multicoloured fun
