

Heaven help me God, I feel so lonely
Comfort me
Come down here and save
My sanity
K you win
I give up
On my knees
Fill me up
Take control
Of my soul
Bring me peace
Fill my God-shaped hole
Jesus, can you lend a hand
With my cross?
Lately it's become
Too much to bear
K you win

I give up
On my knees
Fill me up
Take control
Of my soul
Bring me peace
Fill my God-shaped hole
Holy Ghost, I'm haunted
By my fear
Overshadowed by doubt
Exorcise me
K you win
I give up
On my knees
Fill me up
Take control
Of my soul
Bring me peace
Fill my God-shaped hole
