

Necrophag

Torture Killer

The taste of flesh excites me
I feast on the remains of the body
Cannibal instinct
Open casket invites me in

Devouring
Rotten skin
A growing need

I've got a hunger for your wretched flesh
Carnivorous teeth stuck in deep

Necrophag
Eat the dead
A growing need

I've got a hunger for your wretched flesh
Carnivorous teeth stuck in deep
I've got a hunger for decayed
I bite the infected flesh

Necrophag
Eat the dead
A growing need
