## Flex

Did I

Fuck around and drop the top on niggas

**Tory Lanez** 

When them niggas thought I wouldn't Did I Fuck your bitch or something What I did to ya why you fronting on me Did I Hit the trap and have it jumping Turning nothing into something Peeling off the corner flexing on them niggas Shawty know a nigga came here from nothing I got the gas on me Being broke was the reason Why all of these females would pass on me Now I pull up in that S550 and I dash on them And you know I don't spend any cash on them When I'm pulling up inside that thang You know I do my thing And I drop the top on all these niggas in the way And this is for the times a nigga shitted on me You shitted on me, now you see the tables turning my way So I gotta flex, I gotta flex, I gotta flex on you For all of the times when I was a mess And you tried to flex on me too So I gotta flex, and I gotta flex, and flexing on you too I know I'm wrong Tell me what I did to you Did I Fuck around and drop the top on niggas When them niggas thought I wouldn't Did I Fuck your bitch or something What I did to ya why you fronting on me Did I Hit the trap and have it jumping Turning nothing into something Peeling off the corner flexing on them niggas Shawty know a nigga came here from nothing (Fuck, can you say to me) (Fuck, can you say to me) A young nigga gotta hop out and do something Gotta let the top down to prove something Nigga you know I I I got news for you Everybody know I'm paid only you fronted The fame made a nigga lose a lot of friendships The fame made these niggas do a lot fuck shit Couple good girls that I lost to the cause I gotta face facts we don't talk no more Young rich nigga on his way up My niggas up and i hope that they stay up You know the devil working gotta pray up And i just pray that all my niggas Paid up and ball like lay up

I'm calling shawty calling I do this often don't know what to call it This shit exhausting but you know I'm all in Drop the top on that thing when its gwanin'

When I'm pulling up inside that thang You know I do my thing And I drop the top on all these niggas in the way And this is for the times a nigga shitted on me You shitted on me, now you see the tables turning my way

So I gotta flex, I gotta flex, I gotta flex on you For all of the times when I was a mess And you tried to flex on me too So I gotta flex, and I gotta flex, and flexing on you too I know I'm wrong Tell me what I did to you

Did I Fuck around and drop the top on niggas When them niggas thought I wouldn't Did I Fuck your bitch or something What I did to ya why you fronting on me Did I Hit the trap and have it jumping Turning nothing into something Peeling off the corner flexing on them niggas Shawty know a nigga came here from nothing (Fuck, can you that say to me) (Fuck, can you that say to me)

Can't believe when I look back at how I did it Fuck around and made something I made something Made something of myself I made something
