And I'm going for a bong and I'm on a ladder

And the niggas call their phone cause they really is pity cause they really give me dome in a tele in a tele
And I'm getting in their belly, really getting ready
Hot like a chilli pepper sitting in the middle of a dessert
I'm a give ya'll what ya bitches de-nali?
And I be getting blown out when I'm sipping Cavalli

But I be clean like a wiped white chick in a valley
