

My girl might leave me if she hears about this
LA confidential, LA confidential
I hope she never has to hear about this
LA confidential, oh

Cause you know I got somebody
So I can't fuck with just anybody
But sometimes I get lonely, I get lonely
So let me keep it real with you, real with you
Can you keep it real with me, real with me
When I get lonely, I get lonely

Lonely again, and again, and again, and again, and again
And again, and again, and again, and again

And I hope you don't expect to be my girlfriend
LA confidential, LA confidential
Cause I think you know I'd never leave my girlfriend
LA confidential, alright

Cause you know I got somebody
So I can't fuck with just anybody
But sometimes I get lonely, I get lonely
So let me keep it real with you, real with you
Can you keep it real with me, real with me
When I get lonely, I get lonely

I know we fuck around but I can not get with you baby
I be on my own shit, moving acting different baby
I be in the city baby, the city baby
So when I'm with my hoes I ask that you don't act like you've been fu
cking with me baby
LAX, LA sex I get at you for
I run time, it's your nigga come get at the boy
I got a girl but I'm still trying to fuck
Long as you know that what's up, I hope you know that's what's up

Cause I got somebody
So I can't fuck with just anybody
But sometimes I get lonely, I get lonely
So let me keep it real with you, real with you
Can you keep it real with me, real with me
When I get lonely, I get lonely

Lonely again, and again, and again, and again, and again
And again, and again, and again, and again
