

Let Me Know

Tory Lanez

You got your own list of problems and really I can't do shit to solve em wanna hit a nigga up like why you dissin well this time I ain't got time so girl dismiss it, ki kissin on your neck you be givin that di disrespect until I give you this dick up in your chest and you hit me like damn bay damn bay that shit feel so damn great start confessin you so weak that you can't even stand straight, start again arguin talkin bout you can't stand me like I don't understand you and you don't undertand me damn girl my head hurt need to stop that for your mans sake and you walk up out that door and slap me like a hand shake damn

Girl I've been thinking bout you thinking bout you thinking bout you hoping that you thinking bout me thinking bout me thinking bout me just let me know jist let me know just let me know just let me know

Yea you be coming around with all that cussing we can have a conversation but damn what's with all that fussing what's worse you used to call a nigga your husband guess I ain't that man no more I guess I relly ain't in your plans no more but damn you cold and damn you kno and damn you so and now u kno make me wanna take my hands and ohhh but I ain't gunna do that cus I ain't gunna do that say you gotta man well I already knew that well I 'll be in the new back cus I ain't takin you back already been through that and I aont tryin to do that and I ain't tryin to do that uh huh, places I be racing though with laces I won't lace you though amazing how a relationship can go from a yes to a blatent noo, well it's amazing what the brain can know cus the dumb mothafucker thatll stick around any longer is the same mot hafucker you mistake me for.

Girl I've been thinking bout you thinking bout you thinking bout you hoping that you thinking bout me thinking bout me thinking bout me just let me know jist let me know just let me know just let me know ohh let me know let me kno ohh let me know ohh let me kno let me know ohh let me know...
