

Stripclub Las Vegas (Bonus)

Tory Lanez

She bad niggas know that
Slim waist with a ass so fat
Im in the club spending racks on racks
Gotta really cute smile and the tats on her back
She know what a nigga wanna do
Money up fuck what you're going through
Doing shit them other hoes won't do
Got the body of a goddess and its all on you
Baby show me what it is when you come around
I can take you to my crib let me put it down
Lil' mama got them eyes
I'mma do her right

This is for the strippers
Gon' head and tip her Came with ya niggas
Gon' head and tip her Stripper..Stripper..Music
She bad I don't wanna touch her
Slow down shorty I don't wanna rush
Throwing money in the club on the hush baby
Bitch I can get to know get know ya
Lets go let me show ya
Everything that I wanna do
You heard what I said
You're body would look dope in my bed
So baby bring it back to my crib
And I promise shawty it can go down
We can go downtown
Cause baby you know
