## **The Hardest Thing**

Toše Proeski

I sleep all night Right by your side I love to hear your breathing, breathing The morning light, I'll lose my eyes It's favorite time for leavin', leavin' I know that it seems Like it's easy for me O I wish you could feel What's going on in side It's the hardest thing I ever have to do, To walk away from you When I wanna' hold you, It's the hardest thing In every single day To let you turn away, I want you to know that, This is the hardest thing.

Another day is years away, I close my eyes To see your face, The more I wait, The longer it takes, It feels like time Is standing still.

Where ever you go, Whatever you do I want you to know that you're on my mind

It's the hardest thing I ever have to do, To walk away from you When I wanna' hold you,

It's the hardest thing In every single day To let you turn away, I want you to know that, This is the hardest thing.

Just let go of your hand It's the hardest thing To make you understand that To love you, feel you Till the time I'll see you again It's the hardest thing

Ouuuuuu It's the hardest thing I ever have to do, To walk away from you When I wanna hold you,

It's the hardest thing

In every single day To let you turn away, I want you to know that, This is the hardest thing.

I sleep all night Right by your side I love to hear your breathing, breathing...
