

Baby, I Hate You

Total Chaos

You are the most annoying person, that I have ever met
Why don't you just keep on walking, do not stop here
Can't you see that I hate you
I want you to drop dead
Please stay away from me, and all my friends

I want you to know, I hate you baby
I want you to know, I don't care
So happy when your not around me
I'm glad when your not there

I can see that no one ever liked you
You get pushed around at school
I have always known where to find you
In a trash can or in a stall
Even your mom couldn't like you
Your the slop of them all
Please stay away from me, I'll always say
