

## Born To Lose

Total Chaos

Well that's the way it goes  
This city so cold  
And I'm so cold  
That's what I know

Born to lose  
I said hey - born to lose  
I said hey - born to lose  
Oh baby I'm born to lose

I have nothing to do  
I have nothing to say  
Only one thing that I want

Living in the jungle  
It ain't so hard  
Living in the city  
It'll eat out your heart
