

Horror Visions

Total Chaos

Die For-For all the government lies
Die For-Preparing to die
Die For-This wars not real
Die For-Learning to kill

Horror Visions-Bombs fall from the sky
Horror Visions-Kids preparing to die
Horror Visions-For all the government lies
Horror Visions-Die just to die

Fight For-What is right
Fight For-So no one will die
Fight For-For the human appeal
Fight For-Fight for what is real
