

## Murdered

Total Chaos

Punk was murdered in a way  
A ninja in a caddy kills today  
Now listen up can you feel  
The jocks and cops condone the kill

Murdered what a fucking shame  
Murdered the system is to blame  
Murdered Brian was his name  
Murdered this is fucking lame

Blatant murder is so real  
The judge, the court condones the kill  
But know one has the biggest loss  
That punk has lost at any cost

[Chorus]
