

## Pledge of Defiance

Total Chaos

I pledge my defiance to the flag  
for destruction of the native american culture  
and to the republic from which it stands  
one nation  
under god heads

I pledge my defiance to the flag  
I pledge my defiance  
to the U.\$. government

no liberty, no justice  
for people with low incomes  
a country built on blood and power  
a country built on inhuman dreams

from this day forward  
I will do everything in my power  
to fight you  
to destroy your government  
and to burn your flag  
destroy everything to do with this inhuman  
dream
