Do You Mind

Total Touch

CHORUS
Do you mind – if I love ya?
Do you mind – I'm thinkin'of ya?
Do you mind – that it's you on my mind?

Do you mind – just to try me?
One more time – you can't deny me
I don't mind – if you do – do you mind?
yeah! yeah! yeah! yeah!
yeah! yeah! yeah! yeah!
It's the look in your eyes,
that's impressing me.
Your smile gives me a wonderful sensation,
feels like you've got a spell on me.
I am no longer holding out
I'll scream it out real loud – baby
REPEAT CHORUS
It's so hard to resist,
I wanna give you all my charms.
Your kinda love is what I missed,
Why is it I can't hold you in my arms?
You cannot run,
you cannot hide,
'cause I won't step aside, baby
