

I Don't Wanna Smile

Total

If you ever to leave me
How could I breathe
How could I even go on
If you're not here beside me
Then what good would my life be
This life won't mean a thing if you're not around
And don't you know that
If I lose you there'll be no joy to be found (no)
This world won't show a thing to me, oh

I don't wanna smile
If you're not smiling with me
I don't wanna laugh
If you're not there to share the laughter with me
I don't wanna live
Without you, what kinda life would that be?
Oh baby (oh baby)
No baby (no)
I don't wanna smile
If you're not smiling with me

If there's ever a moment
When you're not there
To share in these moments with me
It will be such a sad song
It would all just be over

The stars wouldn't shine as bright if you walked away
And don't you know that
There'll be no reason to wake up everyday (oh)
This world won't mean a thing to me, oh

I don't wanna smile
If you're not smiling with me
I don't wanna laugh
If you're not there to share the laughter with me
I don't wanna live
Without you, what kinda life would that be?
Oh baby (oh baby)
No baby (no)
I don't wanna smile
If you're not smiling with me (baby)

I don't wanna see the sunrise
If I can't see it with you

I just know that there'll be no joy
In anything I do

This world will be too sad for me, so

I don't wanna smile
If you're not smiling with me
I don't wanna laugh
If you're not there to share the laughter with me
I don't wanna live
Without you, what kinda life would that be?

Oh baby (no baby)
No baby (no)
I don't wanna smile
If you're not smiling with me

You're not smiling with me
You're not smiling with me

If you're not smiling with me
