

Stronger

Totally Enormous Extinct Dinosaurs

The feel I love in you is making me stronger
But I know that heart, it waits for me just around the corner

I know it seems right, but I cant help but look into the future
my love

Baby im yours, all yours, until the night im gonna let you down
Heart ache, it feels right until the morning light
Trust me im yours, all yours, up to the night im gonna fool aro
und

The feel I love in you is making me stronger
But I know that heart, it waits for me just around the corner
