

## 2 Hearts

Toto

You said you would wait for me, but something went wrong  
The house was empty, your pictures gone  
I knew you'd come back one day, our love was so strong  
The past behind us, it's here you belong

'Cause I'm deep inside you, you're deep inside me  
I always knew that we would always be

Two hearts forever, one heart alone  
I need to know your love is mine  
Two hearts forever, one heart alone  
I won't let go of you this time

You could've talked to me, what changed your mind  
I could have been there by your side  
You thought you could walk away, but you know that's a lie  
This loneliness is hard to hide

It's so easy to surrender  
And temptation always finds a way  
You must hold on  
You know we must hold on, whoa-oh-oh

Two hearts forever, one heart alone  
I need to know your love is mine  
Two hearts forever, one heart alone  
I won't let go of you this time

Two hearts forever, one heart alone  
I need to know your love is mine  
Two hearts forever, one heart alone  
I won't let go of you this time

Two hearts forever, one heart alone  
I won't let go of you this time  
Take this heart of mine
