2 Hearts

You said you would wait for me, but something went wrong The house was empty, your pictures gone I knew you'd come back one day, our love was so strong The past behind us, it's here you belong

'Cause I'm deep inside you, you're deep inside me I always knew that we would always be

Two hearts forever, one heart alone I need to know your love is mine Two hearts forever, one heart alone I won't let go of you this time

You could've talked to me, what changed your mind I could have been there by your side You thought you could walk away, but you know that's a lie This loneliness is hard to hide

It's so easy to surrender And temptation always finds a way You must hold on You know we must hold on, whoa-oh-oh

Two hearts forever, one heart alone I need to know your love is mine Two hearts forever, one heart alone I won't let go of you this time

Two hearts forever, one heart alone I need to know your love is mine Two hearts forever, one heart alone I won't let go of you this time

Two hearts forever, one heart alone I won't let go of you this time Take this heart of mine Toto
