

## I Think I Could Stand You Forever

Toto

Would you say no if I asked you for your hand  
Could you believe in the same words that I don't understand  
And would you cry if I told you I must go  
I've been waiting such a long, long time  
I think I could stand you forever  
I've been wanting you a long, long time  
I think I could stand you forever  
Would you say no if I asked you for this one chance  
Am I a fool to believe that this night is circumstance  
I wish that for once you could see the look in your own eyes  
I've been waiting such a long, long time  
I think I could stand you forever  
I've been wanting you a long, long time  
I think I could stand you forever  
I've been waiting such a long, long time  
I think I could stand you forever  
I've been wanting you a long, long time  
I think I could stand you forever  
I think I could stand you forever  
Think I could stand you, think I could stand you forever, yeah  
Think I could stand you forever, yeah - I think I could stand y  
ou  
Think I could stand you forever, yeah - forever and ever  
Think I could stand you forever, yeah  
Think I could stand you forever and ever and ever
