

# I Won't Hold You Back

Toto

If I had another chance tonight  
I'd try to tell you that the things we had were right  
Time can't erase the love we shared  
But it gives me time to realize just how much you cared  
Now you're gone, I'm really not the same  
I guess I have myself to blame  
Time can't erase the things we said  
But it gives me time to realize that you're the one instead  
You know I won't hold you back now  
The love we had just can't be found  
You know I can't hold you back now  
Now that I'm alone it gives me time  
To think about the years that you were mine  
Time can't erase the love we shared  
But it gives me time to realize just how much you cared  
You know I won't hold you back now  
The love we had just can't be found  
Listen to me baby  
You know I can't hold you back now  
You know I won't hold you back now  
The love we had just can't be found  
You know I can't hold you back now  
The love we had just can't be found  
You know I can't hold you back now  
The love we had just can't be found  
You know I can't hold you back now  
The love we had just can't be found
