

## If It's the Last Night

Toto

I don't know if you'll understand  
But I'm hopin' that you'll follow me down to the waterway  
I'll be there if you change your mind  
Listening to the ticking of the hands on a clock working overti  
me  
If it's the last night it oughta be left for lovin', girl  
If it's the last night it oughta be left for lovin', girl  
If it's the last night it oughta be left for lovin', girl  
Now you're here standing next to me  
I've seen your face on every girl that I've held since you went  
away  
It's getting late and I have to know  
I'm mending the wings of a heart that was broken not so long ag  
o  
If it's the last night it oughta be left for lovin', girl  
If it's the last night it oughta be left for lovin', girl  
If it's the last night it oughta be left for lovin', girl  
If it's the last night it oughta be left for lovin', girl  
[repeats 5x]
