

## Rosanna

Toto

All I wanna do when I wake up in the morning is see your eyes  
Rosanna, Rosanna  
I never thought that a girl like you could ever care for me, Rosanna  
All I wanna do in the middle of the evening is hold you tight  
Rosanna, Rosanna  
I didn't know you were looking for more than I could ever be  
Not quite a year since she went away, Rosanna yeah  
Now she's gone and I have to stay  
Meet you all the way, meet you all the way, Rosanna yeah  
Meet you all the way, meet you all the way, Rosanna yeah  
I can see your face still shining through the window on the other side  
Rosanna, Rosanna  
I didn't know that a girl like you could make me feel so sad, Rosanna  
All I wanna tell you is now you'll never ever have to compromise  
Rosanna, Rosanna  
I never thought that losing you could ever hurt so bad  
Not quite a year since she went away, Rosanna yeah  
Now she's gone and I have to stay  
Meet you all the way, meet you all the way, Rosanna yeah  
Meet you all the way, meet you all the way, Rosanna yeah  
Not quite a year since she went away, Rosanna yeah  
Now she's gone and I have to stay  
Meet you all the way, meet you all the way, Rosanna yeah  
Meet you all the way, meet you all the way, Rosanna yeah  
Meet you all the way, meet you all the way, Rosanna yeah  
Meet you all the way, meet you all the way, Rosanna yeah
