

## Stop Loving You

Toto

Reflections in my mind  
Thought I can't define  
My heart is racing and the night goes on  
I can almost hear a laugh  
Coming from your photograph  
Funny how a look can share a thousand meanings  
Well intended lies  
Contemplating alibies  
Is it really you or is it me I'm blaming?  
A distant memory flashes over me  
Even though you're gone I feel you deep inside  
Dance beneath the light with that look in your eyes  
I can't stop loving you  
Time passes quickly and chances are few  
I won't stop till I'm through loving you girl  
There a window in a heart  
I've tried to look through from the start  
You're never really sure what someone else is thinking  
Someone's broken something new  
Another altered point of view  
Just a certain someone's conscience playing  
I had it in my hand  
I did not understand  
What lives inside the wind that cries her name  
Trying to catch a shooting star  
What seems so close can't be far  
I'm living in a dream that's never ending  
I can't stop loving you  
Time passes quickly and chances are few  
I won't stop till I'm through loving you girl  
Dancing with that look that's in your eyes  
I can't stop loving you  
Time passes quickly and chances are few  
I won't stop till I'm through loving you girl  
I can't stop loving you  
Time passes quickly and chances are few  
I won't stop till I'm through loving you  
Loving you  
Yeah yeah yeah  
Loving you  
I wonder when I'll stop loving you  
Yeah
