Come on Lovin' you has got to be (Take me to the other side) Like the devil in the deep blue sea (Take me to the other side) Forget about your foolish pride (Take me to the other side) Oh take me to the other side (Take me to the other side)

My mama told me there'd be days like this And man she wasn't foolin' 'Cause I just can't believe the way you kiss You opened up your mouth with bated breath You said you'd never leave me You love me, you hate me, I tried to take the loss You're cryin' me a river but I got to get across

Lovin' you has got to be (Take me to the other side) Like the devil in the deep blue sea (Take me to the other side) Forget about your foolish pride (Take me to the other side) Oh take me to the other side (Take me to the other side)

I'm lookin' for another kind of love Oh lordy, how I need it The kind that likes to leap without a shove Oh honey, best believe it To save a lot of time and foolish pride I'll say what's on my mind, girl You love me, you hate me, you cut me down to size You blinded me with love and, yeah, it opened up my eyes

Lovin' you has got to be (Take me to the other side) Like the devil and the deep blue sea (Take me to the other side) My conscience got to be my guide (Take me to the other side) Oh honey, take me, take me, take, take, take

Take me to the other side I'm lookin' for another kind of love Oh, lordy, how I need it The kind that likes to leap without a shove Honey, you best believe it Now I ain't one for saying long goodbyes I hope all is forgiven You loved me, you hate me, I used to be your lover You know you had it coming, girl So take me to the other side

Lovin' you has got to be (Take me to the other side) Like the devil and the deep blue sea (Take me to the other side) My conscience got to be my guide (Take me to the other side) Oh honey, take me to the other side (Take me to the other side)

Lovin' you has got to be (Take me to the other side) Like the devil in the deep blue sea (Take me to the other side) Forget about your foolish pride (Take me to the other side) Oh take me to the other side
