

# Time Is the Enemy

**Toto**

Those days we gave our all  
Unaffected  
I bravely faced the fall  
No reflection

Freak armies of the night  
Misdirected  
I fought the useless fight  
Unprotected

Don't cry for me  
Time is the enemy  
Soon I'll be free  
I surrender

Sweet moon, she marks the year  
Unreflected  
How sad she has no tears  
So neglected

Don't cry for me  
Time is the enemy  
Soon I'll be free  
I surrender
