Time Is the Enemy

Toto

Those days we gave our all Unaffected
I bravely faced the fall
No reflection

Freak armies of the night Misdirected
I fought the useless fight Unprotected

Don't cry for me Time is the enemy Soon I'll be free I surrender

Sweet moon, she marks the year Unreflected
How sad she has no tears
So neglected

Don't cry for me Time is the enemy Soon I'll be free I surrender
