

Lay Me Down

Touch of Eternity

Mistful, the sides of path
I am here to roam
I can't see far enough
Barren, the ground
Under my half-dead feet
Oh guide me on my journey to the end

Godless kingdoms
Lay me down
Father long forlorn
Drown

Clouds turn their way
Today is the day of the days
I will fade away
I will fade for my sleep
Forevermore
I'll sleep inside,
I'll sleep inside
This cell of peace
Peace
I, I'll fall behind the curtain

Godless kingdoms
Lay me down
Father long forlorn
Drown
